1. In accordance with your conversation with

~~SECRET~~ we are forwarding the attached working paper on developments in the Arab world leading to the adoption of neutralist policies by Egypt and Syria.

2. The paper reviews chronologically events affecting Arab-West relations and discusses in brief Communist intentions toward the Arab world. Information in this report is as of August 1955, and therefore does not take into consideration the September 1955 Czech-Egyptian arms deal.

3. As a working paper, the report is not documented.

However, source references can be supplied if required.
